

Why “I Love you”

This chart generates a practical map of the energy field of consciousness. As we look at the map of consciousness below, it becomes clearer that the calibrated levels correlates with specific processes of consciousness, attitude and spiritual beliefs. The chart below will give us insight about the levels of consciousness to which the person belongs.

Map of Consciousness

	Energy Level	Level	Process

More than 78% of population of the world is below the level of 200. All levels below 200 are destructive of life in both the individual and society at large. All levels above 200 are constructive expressions of power. The level 500 is characterized by the development of love which is unconditional, unchanging, and permanent. The energy level of 700 to 1000 is of enlightenment. It is of the great ones like lord Krishna, Lord Buddha and Lord Jesus Christ.

Our commitment is to Empower people living below 200 to take a leap forward to 500+ and to experience higher level of Consciousness.

This is why We share “I Love you”
