

# Wake Up! Wake Up!

**"PLEASE WAKE UP BEFORE THOSE DEADLY AGENTS WAKE UP"**

**Let me have a few minutes of your time to share something very special!**

Today, thousands and thousands of helpless and hopeless people are dying of dreadful diseases all around the world as there is no real treatment available to them that can save them from the devil's mouth of death. That is why we now need a natural, scientifically proven food supplement that can give us a ray of hope! However in our quest to find a good treatment, a good medicine and a good nutritional supplement we are being trapped by conventional treatments that gives us only a temporary relief but on the contrary gift us with a lot of new complicated symptoms of side effects that take us from bad to worse.

Nature, our God, from where all of us have come, seems to be gradually phasing out from the minds of people. In ancient times people used to find their remedy for the diseases from the nature and they were effectively cured. But as the medical science got advanced we started getting little relief (just for few days) from the noxious effects of the diseases. However it is quite common that we invite a lot of un-diagnosable complicated disorders which make us more critical.

There are lots of things in the nature that GOD has preserved for us. In spite of this we run after those things which we know are dangerous (which act like 'Slow Poison') to our body! We take them regularly with a hope to keep ourselves healthy. But, are we really keeping ourselves healthy? The answer is a BIG NO! In fact we are making ourselves sick; we are making our cells weaker; we are making our immunity system weaker and weaker and ultimately invite many serious diseases that attack us taking a chance of our weak immune system. Unfortunately, many a times it becomes too late or difficult to reverse the situation! Hence we must truly rebuild our immune system stronger and protect ourselves from various toxic agents! We must keep our vital force (Immunity power) more active by giving it powerful supplements and not the artificial nutritional supplements. Our vital force in our body is a natural force and it requires natural substances to activate itself effectively!

**Please wake up before those deadly agents wake up in your body.**

Give your cells the proper nutrition and make them healthy not by feeding them with artificial synthetic supplements from the chemist shop but by giving them required natural nutrition! Such nutrition must be holistic and a God gifted nutrition which is rich in all the nutrition that our body needs. Your cells are crying, your tissues are crying, your organs are crying for that natural nutrition. Do not deny what they naturally deserve.

**This call is for you! Only you can save you and your family!!**

**PLEASE WAKE UP BEFORE THOSE DEADLY AGENTS WAKE UP IN YOUR BODY...!**
